**Clubs Updates**

- NEBAC NAL participation is hard to justify due to a lack of want or need from the athletes.
- Review of NEBAC pulling out of NAL needs to take place with a recommendation put to Team Managers. **(RG & AS-K to Action)**
- Communication to be done around financial assistance for athletes.

**Club Finance / Club Treasurer**

- Victor is new Club Treasurer and has completed a handover with Cheryl.
- Rowan to speak with Victor to get an update on progress.
- No interest shown so far in taking on the Honorary General Secretary role.

**Club Kit**

- No update on club kit, with a lack of sizes in club vests available.
- Note to be made of common requests for kit and share with the committee **(Actions NH)**.

**NEB Volunteers**

- Still a lack of volunteers for the club.
- Potentially having more groups could result in more volunteers.
- We should consider having younger athletes become coaches.
- Provide a cash incentive if reasonable to encourage volunteers.
- AS-K to provide update on Team Manager (Wayne & Julia) and athletes views on competition

**AOB**

- Club constitution to be discussed at the next meeting in regards to policies that need to be updated **(ACTION NH to send list of policies)**.
